### JAMAICA MEETING CLOSES.

DON ENRIQUE DEFEATS MOMENTUM IN THE RAVENSWOOD HANDICAP.

Merry England Takes a Race-Pins and Needles in Front Again-Aqueduct Racing Today.

New York, November 1.-An excellent program was run off on the closing day of the autumn meeting of the Metropolitan Jockey Club at Jamaica including one stake feature, the Ravenswood Handicap of six furlongs, a particularly attractive bandicap at a mile and a sixteenth and four selling races for various ages and at varying distances. Glorious autumnal weather prevailed and a large crowd of witnessed a day's high-class sport. Don Enrique, the top weight, accounted for the principal feature and Pins and Needles captured the second best race only after a prolonged and thrilling Both of the winners were best, how closing drive. ever, in their respective races. Outsiders and second and third choices scored in every race excepting the last, where a luke-warm favorite in Youthful finally relieved the situation by an easily won victory.

The racing scene shifts tomorrow to Aqueduct, with its narrow track and long stretches and straightaway. A high-class card is provided, and and immense crowd will likely be on hand to inaugurate what promises to be the best and most important fall meeting ever held under the auspices of the Queens County Jockey Club.

The Ravenswood Handicap was contested by six Baby Wolf, Bat Masterson, Royal Onyx and Woodwitch having been scratched. All through it was a duel between Don Enrique and Momentum, with the latter leading at a fast pace from the start the final sixteenth, where Don Enrique got on terms with him and finally landed first money but decisive margin. Faust was a good third and gaining on the two leaders, but three quarters of a mile is not the distance at which he shows best. The race was run in fast time for this track, and the winner is now a good race horse.

### TORONTO JOCKEY CLUB MEETING.

Toronto, Ont., November 1.—The annual general meeting of shareholders of the Ontario Jockey Club was held at the company's office on Friday, Novem ber 1. Mr. Seagram, on taking the chair, referred to the great loss the club had experienced in June by the death of their colleague, Mr. A. W. Macken zie, and said that the Ontario Jockey Club might well congratulated in having persuaded Mr. R. J Christie to join the board

In June of this year the club exercised the option which it held from the late Mr. Duggan on the property at Woodbine Park and had purchased the They also secured a farm of 104 acres sit uated in Scarboro. Should they be compelled in future to leave their present racecourse at Woodbine Park they will have this property to turn to in case of need. It was, he said, a source of much congratulation to the directors that the Or tario Jockey Club Cup, an open handicap at two miles and a quarter, had been won by a Canadian bred horse, in fact, Canadian bred horses finished first and second in the race, which demonstrated very clearly that we are breeding a horse in Canada which would both gallop and stay.

The following were elected directors: Jos. E. Sea M. P., Waterloo, president; E. B. Osler, M. Toronto, first vice-president; Hon. Melvin Toronto, second vice-president. Executive Committee: D. W. Alexander, R. J. Christie, Hon S. Hendrie, Andrew Smith and Geo. W. Tor rance, all of Toronto, with Andrew Smith as chair man.

C. R. Ellison arrived in Chicago yesterday from Memphis and will remain in the city for two weeks, stopping at the Auditorium Annex Mr. Ellison says he had thought of racing in Cali fornia this winter, but had changed his mind or account of the long distance to ship. He said Si Navarre was so badly injured when he was ship ped east last spirng that he did not race during the summer and he does not want to take an chances in shipping the colt a long distace again Mr. Ellison is highly pleased with the succe his stable this year both in the south and east.

### HORSES SHIPPED TO ARCADIA

Cincinnati, O., November 1.-William Walker as twenty-five stalls reserved for him at the new Arcadia track and shipped his horses there yester morning from Latonia. Walker has Henry O and Prince of Orange entered in the four-mile race for the Norfolk Stakes, and he has named Confessor, Earl Rogers, Edwin Gum, Stanley Fay, Centre Shot and Catherine F. in a number of the other stakes. Jockey Lycurgus went with the stable and Walker expects the change of climate to work a change in the riding of the colored boy.

GOLDFLEUR TAKES STEEPLECHASE. BADGE A GALLANT RACE HORSE.

Easily Defeats Opponents - Alpenmarchen, Heavily Played, Fools Backers.

Baltimore, Md., November 1.-Fair weather brought out a good crowd at Pimlico this afternoon with seven races on the card, the public a run for its money. The track was in excellent condition and fair time was made.

It was a bad day for favorites, only one first getting home in front. shots, however, were well backed by those in the know, and the bookmakers did not get much best of it. Several of the layers were absent today them Tom Shaw, who finds this arena limited for his operations. Shaw has been the "Big Store" since the opening here, and has been backing them very heavily on the outside.

The steeplechase was the feature of the racing today, and brought out nine good jumpers. Of these Lester L. Hayman was most fancied, but he neve was in it. Goldfleur winning from start to finish Merry Maker, for a wonder, ran straight and fur nished the only contention for Goldfleur. George Leiper, a well-backed candidate, ran out when he appeared to have a good chance. Ormonde's Right was in a running mood again today, but was just nosed out by Trackless.

Alpenmarchen, with only ninety pounds up, wa thought to be a real good taing in the sixth race and was heavily supported. He went right to the front when the barrier rose and, opening a gap of five or six lengths, appeared as if he would make a runaway race of it. In the stretch, however, he

a runaway race of it. In the stretch, however, he quit badly and Sam Bernard beat him out.

Barney Schreiber was among the visitors at the track today. He told the horsemen here that there would be no jumping races at Arcadia this winter M. J. Cooper has bought Eonite and Town Topic: and will race them on the coast

has shipped Lady Navarre to H. P. Headley's La This noted mare which won for C. R. Ellison the Tennessee Derby and Oaks, may be ed to Mexican, which horse Mr. Wilson has, with a number of mares, at La Belle.

Byron McClelland's Favorite and a Most Consistent Performer.

Byron McClelland was fortunate in owning a succession of high-class race horses, but of them all Badge was the horse of his heart. This was a Belmont-bred horse that he bought when a year ing and started in racing early, his first start as two-year-old having been made at New Orleans March 1, 1887, for a purse of \$150. At the same April 11, he won the Hurstbourne Stakes Merci, Lily Virgil and five more two-year nlace, olds. Three days later he ran second to Jack C for the Boston Club Stakes, and was then taken north. At Lexington he ran second to Perkins for the McGrath Stakes, and won the Breeders' Stakes from Amos, Patton, Huntress and four others. Taken east he first ran second to King Fish for the Flash Stakes at Saratoga, and in his next essay won a sensational race at Sheepshead Bay. It was only for a purse at three-quarters f a mile, but he defeated such older stars of the ime as Cyclops, Kingston, Santa Rita, Pearl Jen-Britannic, Gleaner and Long Branch. was at 30 to 1 in the betting. Subsequently he von the Autumn Stakes and several purses

The career of Badge as a three-year-old was one and of twenty-nine races in which he started, he won fifteen. Most of his races were for he won fifteen. Most of his races were for but he won the Palisade Stakes and Cape May Handicap at Monmouth Park, the Katonah Hanlicap at Jerome Park and the Finality Welter Hanlicap at Washington. In the Palisade Stakes he deleated three fine racers when he finished in front of Raceland, George Oyster and Taragon. He was high-class four-year-old, winning the Merchants landicap and the Kentucky Handicap at Louisrille, the Midsummer Handicap and the Rahway Handicap at Monmouth Park and the Racing Stakes it Sheepshead Bay, defeating among others Tenny, Tristan, Hypocrite, Montose, Lavinia Belle, Bella B., Bess, Now or Never, Jindoocraft and Little Minch. One of his best aces was a mile in 1:40 flat for a purse at Sheeps lead Bay. This race was run June 26, 1889 and Badge won easily from Dwyer Bros.' fast filly Belia B. and nine more. Miles in 1:40 are common now, but at the end of that year only Maori, Badge Stuyvesant and Al Farrow had the credit of having won at a mile in a race in that time or better, so was then a notable exhibition of speed,

When a five-year-old Badge won fifteen races were purse races except the New York Jockey Club Handicap at Elizabeth, but he met and defeated such fast ones as Eon, Fordham, Al Farrow, Ballston, Barrister, be said.
II., Cynosure and Seymour. The next year he won six races in eleven starts, all for purses. ast year of success was 1892, when he won twelve His chief success that year was in the races. Spencer Handicap at Saratoga, in which he de feated Versatile, Santa Anna, Charade, Kimberly, Dundee, Blitzen and India Rubber at a mile and Dundee was the favorite at 8 to 5 and Badge was at 10 to 1. His record in all was s follows

### UNITED HUNTS TRACK JUMPS.

New York, November 1 .- The results of two days racing over the new Hunts course at Queens, L. have knocked the props from under the hunting harps who have argued all along that the fenc were too big and that there could be no successful racing over the course until they had been recon In the two days' racing, so far, which included six steeplechases, not one horse fell. a capital showing, regardless of the fact that the fields were small, for the horses have of the poorer class and many of them would have found it difficult to negotiate the other courses

The cross-country folk, both owners and riders loud in their praises of the course now, and despite the fact that the present meeting has anything but a success, from the standpoint of patronage, racing here is certain to become immensely popular in the next few years.

lock's successful bid for nim.

Patsy McDermott, who rode Lowlander to victory in the Suburban Handicap in 1893, is in New York from England. He invented a horse liniment some time ago, which he sold to Lord Carnarvon over in England, but the remedy proved a failure. San Tan, a six-year-old brother to Horatius, which has never raced for the reason that E. J. Ramsey, his owner and trainer, could never get him to stand training, is doing well this year at Oakland and Ramsey expects to send him to the races early in the meeting.

All Alone, which E. Peters secured from Oscar Lewisohn by the selling route for D. Kelly Tues-day for \$1,400, will be taken by Mr. Peters to Cali-fornia after the close of the meeting at Benning along with other horses he will race on the coast for T. M. Cassidy and R. McKeever,

### E. T. SHIPP AGAIN IN FRONT.

SCORES THIRD STRAIGHT VICTORY IN COMMANDING FASHION.

George Bailey, Backed at Long Odds, Wins Easily-The Clansman Takes Distance Race-Jockey Nicol Arrives.

Cincinnati, O., November 1.-Conditions were disagreeable for racing today. Rain fell throughout the entire afternoon and the track was both deep and sloppy. The program was an ordinary one, arranged to give the poorer horses a chance for getaway money. The sport itself was lacking in in-terest. In each race some particular horse outclassed his opponents in the going and nearly all the contests were one-sided affairs. Whatever contention there was in the running was for second and third [daces. Favorites fared well, four of them landing purses. The general backing, however, for nearly all the starters saved the books from sustaining big losses.

The closing race was run almost in darkness and colors could with difficulty be distinguished. The Clansman, after leading all the way, took the principal race at a mile and an eighth. W. H. Fizer again scored heavily over the books by E. T. Shipp's victory. Milford, in this race, a newcomer,

was extensively backed, but ran disappointingly. J. U. Strode made a good clean-up when his George Bailey cantered home in the first. Ralbert a good clean-up when his was the shortest price winner of the day.

C. Helfers arrived today from New York. He reported that H. T. Griffin and himself were on the point of shipping two carloads of horses to Cali-fornia when the Knickerbocker crash came and through baving all their available cash in that institution, they were forced to delay shipment of

Jack Chinn, chairman of the Kentucky Racing Commission and F. J. Kelly, owner of the horses in charge of trainer "Bishop" Poole, were visitors. N. Woodard will ship his horses to New Orleans next week. Sam Eckert, an old-timer and one time part owner of the Cote Brilliante track, witnessed

"Doc" Riddle will have charge of a division of Schreiber's horses that will race in New Orleans. Riddle will also have a public training stable. Jockey Nicol will ride most of his horses. The latter arrived here today from New York by way of Chicago.

Nicol rode for his employer, Fred Cook, in the east last season and won a number of stakes for the stable besides having a fair percentage of successful outside mounts. He thinks that Cook has two very useful horses in Johnnie Blake and Lawrence P. Daley. Johnnie Blake, Nicol said, would not run out of the chute, but when they put him on the grass track, he was a good horse. Lawrence P. Daley would run anywhere. He was a bit lacking in speed, but a good, consistent performer and ran as though a long distance of ground would suit him. He is very apt to be a daugerous Derby factor at New Orleans this winter.

Nicol will be able to ride at 109 pounds and is going south early so that he may be able to get down to weight by the time the season opens there. He will leave for New Orleans tomorrow night, stopping over a day or two in Louisville. His contract with Cook expires December 14. He did not know whether it would be renewed or not, but "I expect I will have to stay with the big show," he said.

Jockey Treubel, who had his license revoked here year ago last summer, is at the weighs 104 pounds and says he could do ninety-six pounds handily if in training. He was suspended by the American Turf Association and will make application to that body for reinstatement next

# ELM RIDGE TRACK TO BE SOLD.

Kansas City, Mo., November 1.—Upon the petition Edward Corrigan, of Chicago, and George Witt, of Memphis, Tenn., as principal stockholders, the United States District Court at Kansas City, appointed James T. Halpin receiver to take charge of and sell the Elm Ridge track of the Kansa City Jockey Club and Fair Association. is a relative of Mr. Corrigan. Kansas City is growing rapidly and the property is worth from two and a half to four times what it cost, being now at \$400,000 and has been nominally valued ordered to be sold by the court. The outstanding bonds are of the face value of \$250,000 and the sale will, it is expected, pay them off with a hand ome profit in addition. Elm Ridge was a fast and well-appointed race track, but as such vanished when Governor Folk brought about the destruction of racing in Missouri.

# BREEDING BUREAU FOR CALIFORNIA.

President Thomas H. Williams of the Pacific Coast Jockey Club will at once take action for the establishment of a thoroughbred breeding bureau in the State of California on the same lines as that now so well planted in New York State. Williams was much pleased with the idea on the occasion of his recent visit to the east, and it is evident has lost no time in introducing the scheme into his own state.

The breeding bureau, originally suggested by John S. McDonald, is destined to be a strong factor in racing affairs, and is rapidly being taken up by many states where there is an interest in thoroughbred.

Went to post at 2:34. At post 1 minute. Start straggling. Won in a canter; second and third driving. Senator Barrett, from a flying start, won all the way and was never seriously menaced, showing sudden and marvelous improvement. Bellwether, also suddenly improved, carried his weight well and held second place safe throughout. Miss Delaney ran in game pursuit of the flying leaders and finished a fast going third. Reene W., away poorly, closed up steadily and loomed up on the last turn, but quit finally. Sparker closed up fast in the last half. Onatassa displayed early speed, but quit badly in the stretch. Goshen Chief., away poorly, closed a big gap. The winner was entered for \$1,000; no bid. Scratched—71604 Alauda, 94; 71515 Queen Marguerite, 104.

Winner—Ch. h, by St. George—Weknowit (trained by B. T. Littlefield).

Went to post at 3:03. At post 1 minute. Start good. Won easily; second and third driving. Merry England, from a good start, was reserved patiently for the first half, then closed up rapidly and drew out decisively midway of the stretch. Royal Lady, kept in the rear too long, made up much ground in the last half and finished with a belated rush. Troublemaker outbroke the others and set the pace for seven furlongs before he succumbed and a weak finish cost him second place. Killiecrankie got away slowly, was never within striking distance of the leaders and had no chance with an inadequate ride. Clyde forced the pace for six furlongs, then quit badly, broke down and was subsequently destroyed. The winner was entered for \$\$800; no bid.

Went to post at 3:30. At post 1 minute. Start bad. Won driving; second and third the same. Don Enrique ran in close and persistent pursuit of the pacemaker and finally outstayed him in a hotly contested drive. Momentum set the pace fast from the start and only succumbed in the last few strides of a game finish. Faust was outpaced in the early running, but closed up rapidly in the last quarter and is out of place in sprints. Killaloe finished fast and gamely. Oraculum ran well to the stretch and tired. Went to post at 3:57. At post 1 minute. Start good. Won handlly; second and third driving. Plus and Needles broke well and was luckily and forwardly placed in the early running, moved up fast on the far turn and drew out decisively at the end. Castlewood was a forward and game contender throughout and ran a superior class race. Danoscara, forced back and out of position in the third quarter and pocketed to the stretch, finished with a belated rush. Tommy Waddell made up ground rapidly in the last half and is extra good. Frank Lubbock set the pace for six furlongs before he retired, but held on well afterwards. Don Creele, nearly left, trailed for six furlongs, then closed up like a cyclone, but ran like a sulker. Smilling Tom ran in forward early pursuit of the pacemaker, but failed to stay.
